ASSOCIATION

We are dedicated to increasing the quality of life for people with physical disabilities through the creation of affordable, barrier-free housing solutions and resident services that encourage independence.

Hello All OTR Supporters!

Thank you for continuing to help us to do what we do best, build and develop homes and services for people with physical disabilities. Your dedication to OTR, our programs, and our mission has allowed us to open the doors on our 9th barrier-free building, Southwick Place in Matteson, Illinois!

Did you miss hearing all the latest news on OTR's newest building, Southwick Place, on ABC 7 Chicago? We have the link for you [here](#) to see the segment, the building, and to hear more about our newest apartment community!

Located in Matteson, Illinois, it has 40 barrier-free units that will soon be home to new Over The Rainbow residents. The apartments are a mixture of studio, one bedroom, and two bedroom homes with accessible features, such as; roll-in showers, counter tops at wheel chair height, smoke free, and hard wood floors.

To apply for one of our beautiful apartment communities, please use the contact information located [here](#).

Thank you again for your continued support,

Executive Director
